**OFFICE OF PETITIONS**

In re Application of	:
Choong-Chin Liew	: DECISION ON PETITIONS
Application No. 10/601,518	: UNDER 37 CFR 1.78(a)(3)
Filed: 20 June, 2003	: AND
Atty Docket No. 4231/2055	: UNDER 37 CFR 1.78(a)(6)

This is a decision on the petition filed on 15 April, 2004, which is treated as a petition filed under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6), to accept an unintentionally delayed claim under 35 U.S.C. §§ 120 and 119(e) for the benefit of the prior-filed nonprovisional and provisional applications set forth in the amendment filed on 15 April, 2004.

The petition is **DISMISSED**.

A petition for acceptance of a claim for late priority under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) is only applicable to those applications filed on or after 29 November, 2000. Further, the petition is appropriate only after the expiration of the period specified in 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii). In addition, the petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) must be accompanied by:

(1) the reference required by 35 U.S.C. §§ 120 and 119 and 37 CFR §§ 1.78(a)(2)(i) and 1.78(a)(5)(i) of the prior-filed application, unless previously submitted;<sup>1</sup>

---

<sup>1</sup>Any nonprovisional application or international application designated the United States of America claiming the benefit of one or more prior-filed copending applications or international applications designated the United States of America must contain or be amended to contain a reference (amendment to the first line of the specification following the title or in an application data sheet (ADS)) to each such prior-filed application, identifying it by application number (consisting of the series code and serial number) or international application number and indicating the

(2) the surcharge set forth in § 1.17(t); and

(3) a statement that the entire delay between the date the claim was due under 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii) and the date the claim was filed was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional.

A reference to add the prior-filed applications on page one following the first sentence of the specification has been included in an amendment filed on 15 April, 2004. However, the amendment is not acceptable as drafted since it improperly incorporates by reference the prior applications. Petitioner's attention is directed to Dart Industries v. Banner, 636 F.2d 684, 207 USPQ 273 (C.A.D.C. 1980) where the court drew a distinction between a permissible 35 U.S.C. § 120 statement and the impermissible introduction of new matter by way of incorporation by reference in a 35 U.S.C. § 120 statement. The court specifically stated:

Section 120 merely provides mechanism whereby an application becomes entitled to benefit of the filing date of an earlier application disclosing the same subject matter. Common subject matter must be disclosed, in both applications, either specifically or by an express incorporation-by-reference of prior disclosed subject matter. Nothing in section 120 itself operates to carry forward any disclosure from an earlier application. In re de Seversky, *supra* at 674, 177 USPQ at 146-147. Section 120 contains no magical disclosure-augmenting powers able to piece new matter barriers. It cannot, therefore, "limit" the absolute and express prohibition against new matter contained in section 251.

Accordingly, before the petitions under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) can be granted, a renewed petition and a substitute amendment to correct the above matters is required.

**In order to expedite consideration, petitioner may wish to submit the substitute amendment by facsimile to the number indicated below and to the attention of Senior Petitions Attorney Douglas I. Wood.**
